Dear Diamond Vision,

I just had my Lasik Surgery performed on 3/15/06 and I would like to thank Dr. Stetson and the entire staff at Diamond Vision for my wonderful experience. Since my first consultation visit through my on going check ups the staff at Diamond Vision made me feel like I was being catered to. When I would come in for an appointment they greeted me by my first name. They always answered all my questions before I left and believe me when I tell you I had numerous questions. They really take their time when explaining things to you so you completely understand.

The day of my surgery was the best day of my life! I was finally glasses free! Everyone please read my lips; IT DOES NOT HURT ALL AT ! It was the easiest procedure that I have ever had done. I was literally in the operating room 10 minutes, and I was also pleasantly surprised to see how handsome Dr. Stetson really is too! Thanks again doc! If you have any doubts about having Lasik done let me ease your mind. You won't regretit. This is absolutely a wonderful establishment and I will recommend them to everyone! I LOVE YOU DIAMOND VISION!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Sincerely,
Virna
